SUITE HIRE 2014/15

Brands Hatch

Introduction

Watching from the trackside is one thing, but having your own private hospitality suite puts you and your guests above the crowds, with comfortable facilities and outstanding catering. There's no better place to experience the superb line-up of events that takes place at Brands Hatch every season.

Naturally, our suites have been designed to offer superb views of the racing and are positioned along the start/finish straight – right in the heart of the action. You are also free to personalise and brand your suite to gain maximum benefit from your investment.

Our dedicated team will always be on hand to ensure that every time you entertain, the day runs like clockwork.

The Brabham/Stewart Suites

Situated right alongside the famous start/finish straight, our suites are designed to have a fantastic view of virtually the entire Brands Hatch Indy circuit. Your elevated position, coupled with the natural amphitheatre of Brands Hatch, offers one of the best views in world motorsport.

This unrivalled location enables you and your guests to watch the explosive getaways at the start and witness the fight for the lead all the way around the track. The four storey structure also gives a bird's eye view of the pit lane action and podium ceremonies.

Suites can accommodate between 25 to 35 guests and suite hire includes a comprehensive allocation of tickets for every race meeting throughout the season. Our on-site caterers supply a wide range of superb menus for you to choose from.
